

Benefits of Membership

BENEFITS	I'm a member of UPSTAR. What Benefits Do I Receive?
Regional MLS Access	Your UPSTAR membership gives you access to the Indiana Regional MLS, with property listings from primarily 43 Indiana counties. IRMLS subscribers also enjoy add-on MLS features that enhance your marketing, listing presentations, showings and transactions. These include Property Panorama virtual tours, ListingDIV data checker, Showing Assist, Cloud CMA and Realist.
MLS Support	UPSTAR employs a full time MLS Director and a part time Support Specialist. When you need MLS help, we're available onsite—8 a.m. to 5 p.m., Monday-Friday.
Technology Training	Want to see your productivity increase exponentially? Learn to use your business tools to their fullest potential. We can help. UPSTAR offers weekly technology training classes on the Paragon MLS system, ZipForm and the Realist public records database—provided FREE to members. From time-to-time, we also host conferences on the latest technology trends.
Robust Website	We offer an interactive website with a REALTOR®/Affiliate search, online registration/payment capabilities, housing statistics and many more resources available to you as an UPSTAR member.
Professional Development	Not only does UPSTAR offer approved continuing education classes to help you meet Indiana's annual CE requirement, but we also offer special seminars and designation courses to help you develop professionally. Many of our educational opportunities are offered at a discount or FREE.
Advocacy	The unintended consequences of poor legislation can be harmful to buyers and sellers, to homeowners and to the real estate industry. When proposed regulation is introduced locally, you can be sure that UPSTAR's full-time Government Affairs Director is there to fight for homeowner rights and to offer the REALTOR® point of view on issues that impact local housing.
Networking & Affiliate Member Services	Want to gain confidence in the people you do business with or those you refer to your clients? Get to know them! UPSTAR provides many opportunities to network with affiliate members because we know that the buying and selling process is a collaborative effort that takes a REALTOR® plus a team of professionals to support the transaction.
Professional Staff	When you call UPSTAR during business hours, you'll reach a "live" person who can answer your question or direct you appropriately. We have six full-time and three part-time team members ready to assist you.
Consumer & Community Outreach Opportunities	Investing in your community contributes to its vitality and raises consumer awareness of the value of REALTORS® as "the voice of real estate". That's why UPSTAR provides opportunities for members to engage with the community on housing issues, economic development initiatives and charitable outreach programs.
Risk Management Information	Whether its a compliance issue or your personal safety, we keep you informed about issues that may put you at risk through weekly communications. UPSTAR members also receive free access to FOREWARN , a personal safety and risk assessment app.
Professional Standards	Despite the best efforts of well-intentioned REALTORS®, disagreements still occur. UPSTAR offers a professional standards process to members through the Indiana Association of REALTORS® that is far less expensive than litigation—first through mandatory mediation and secondly through arbitration if mediation is unsuccessful.

Three-Way Membership = Three Times the Benefits

When you join UPSTAR, your membership automatically extends to the Indiana Association of REALTORS® and the National Association of REALTORS®.
